Disclosure 2022-2023

Welcome to Joel P. Jensen Middle School. Our administration and faculty believe that communication and organization are key components for middle school students to make a smooth and successful transition between elementary school and high school. In an effort to streamline this organizational process, we expect you to adhere to the following school-wide policies:

The JPJ Student Code of Conduct is based on our JPJ Panther Traits:

- P- Prepare to learn
- R- Respect for all

Students are required to follow Panther Traits in all areas of the campus. Consequences for following or choosing not to follow this code of conduct are:

Grading Policy

JPJ uses a Standards-Based Grading scale. Because of this, the students' grades will be based on the proficiency of their knowledge in their various subjects. Your grade will be broken down as follows: 20% Practice and 80% Assessments. Here is the proficiency scale used by Joel P. Jensen Middle School:

- 4 ADVANCED
 - The student is proficient and demonstrates an advanced application of concepts, skills and/or processes of the standard(s)
- 3 PROFICIENT - MEETS STANDARD
 - The student consistently demonstrates an understanding of concepts, skills and/or processes of the standard(s)
- 2 APPROACHING
 - The student demonstrates some understanding of concepts, skills and/or processes of the standard(s) but lacks proficiency in key areas.
- 1 BEGINNING
 - The student does not yet demonstrate an understanding of concepts, skills, and/or processes of the standard(s), and requires support to complete key tasks.
- 0 INCOMPLETE
 - Student either did not do the assessment, did not do the practice, or was not available to do the practice or assessment

Citizenship Policy:

Students are expected to be *in the classroom* with their materials ready when the tardy bell rings. The following citizenship grades will be based on class behavior, attitude and attendance.

- H = Honor (0-1 tardy & no referrals)
- S = Satisfactory (2-3 tardies & no referrals)
- N = Needs Improvement (4-6 tardies or 1 referral)
- U = Unsatisfactory (7+ tardies or 2+ referrals)

Late Work Policy:

JPJMS believes in allowing students to demonstrate proficiency. Some students may need more time and/or opportunities to show this proficiency. In line with this philosophy, there is no academic penalty for turning in late assignments. However, teachers may identify major projects (assessments) that will not be accepted late. End-of-quarter deadlines will be set and enforced to meet grade reporting deadlines.

Make-up Work:

It is the student's responsibility to ask teachers for assignments missed due to any absence. Upon return to school, students will be given **the same number of days that they missed** to turn in all make-up work.

Opportunities for Enrichment and Extra Help:

Teachers are available to students thirty minutes before and after school. W.I.N (What I Need) time occurs four times each week for students to be re-taught or receive help from their teachers in each of their subjects.

If a student desires a calculator for at home use, the TI-30XIIS calculators are available for checkout through the media center. Students will be responsible for the replacement cost of any damaged or lost calculators.
