

## STEM Academy-Student Application

The STEM Academy is for students who want to know more about **STEM** related activities involving physics, engineering, math and robotics. **"This year we will be doing a variety of activities involving many different aspects of the STEM environment."**

### COVID

Students will maintain social distancing at all times. To comply with COVID Rules, Students will be separated into 4 groups. Ms. Hart, Mr. Plott, Ms. Thompson, and Ms. Madlung will take groups of students to our classroom to participate in activities indoors. Students will be required to wear masks at all times. We will have as many activities as weather permits outside on school grounds. Social distancing will be maintained at **ALL TIMES**.

**STEM** sanitizing supplies will be kept in a separate location in the Media Center to prevent cross contamination. Students will have access to Hand-Sanitizer at all times. Students will have gloves as needed. Students will have individual supplies for activities to prevent the spread of **COVID**.

### Parents:

If you have any concerns in regards to **STEM Procedures**, please feel free to contact me at any time through my email address below:

[tarri.madlung@jordandistrict.org](mailto:tarri.madlung@jordandistrict.org)

To become part of this after school program students are required to agree to the following expectations. Read and check these off if you would like to participate.

- ☐ 1. I will wear my mask at all times unless activities are outside and social distancing is maintained per COVID rules.
- ☐ 2. I will maintain social distancing at all times.
- ☐ 3. I will sanitize my hands often
- ☐ 4. I understand I will handle expensive equipment and will clean up as directed.
- ☐ 5. I will make arrangements to be picked up afterschool at 4:00 PM
